13) Drs. A. Subba Rao, B. Sanjiva Rao and M. H. Krishna Iyengar returned from England about the same time. The first two were given a fixed pay of Rs.400/- while the third gentleman was given Rs.350 only though he was recommended for being given the grade of Rs. 400-30-700 as in the case of Dr. Sanjiva Rao. (Reference- Edn. File 4-25- Flags G & A.).

14) Mr. M. H. Krishna Iyengar was again recommended for being given the fixed pay of Rs.400/- as in the case of others (Vide Edn. file 288-26-1 -Flag B). But this was not accepted. The Vice-Chancellor again expressed the opinion that Mr. M. H. Krishna Iyengar deserved to be placed in the grade but no action was taken on the same. (Flag D.)

17) From the Revd Mr Heras dated 5.9.29 it would seem that the antiquities the matters which are awaiting Dr Krishnaswami's appointment pass to the Department of Indian History & Archaeology. He has apparently a good chance of getting that post.

Writing his decision not to forward Dr Krishnaswami's appeal the matter which is the principal ground of the V. C. I cannot remember that Dr Krishnaswami made personal pay Rs 400-30-700. Likewise I recollect two days ago I had that he felt he was entitled to get Rs 300-50-600 as Dr. A. Subba Rao. I think a previous G. the grade Rs 400-30-700 is the ultimate remedy for Dr Krishnaswami now. His proper remedy was entirely at his Expense the proper time.

Final Note by the Third Member of Council.

Subject:—Increasing the emoluments of certain Professors of the Mysore University.

The Vice Chancellor, Mysore University has, in his confidential letter of the 16th October 1929 addressed to the Dewan, recommended the improvement of the salaries of certain Professors. He has proposed that Messrs. B.M. Srikantiah and C.R. Narayana Rao and Dr. Sampathkumaran who are now in the grade Rs.400-30-700 and drawing Rs.700, 670 and 670 respectively, may be promoted to the grade Rs.500-50-1,000 and started on Rs.750, 700 and 700 respectively.

In the list of Professors on Rs.400-30-700 Mr. Srikantiah is junior to Mr. Narayana Rao and Dr. Sampathkumaran, but he was given certain advance increments on his appointment as Registrar of the Mysore University, and he has been drawing Rs.700 from 1st November 1926. The proposal to place Mr. Srikantiah in the higher grade was made by the University Council in June 1928 on his reappointment as Registrar for a further term and again in January 1929. On both these occasions the proposal was not accepted by Government chiefly in view of the fact that Mr. Srikantiah was junior to Mr. Narayana Rao and Dr.Sampathkumaran.

The Vice Chancellor in recommending that Mr. Srikantiah may be given Rs.750 in the grade Rs.500-50-1,000, says that Mr. Srikantiah's work both as Professor and as Registrar has been of the highest order. He has also been honorary Professor of Kannada and has done much for the improvement of Kannada Literature.

Regarding Mr. C.R. Narayana Rao and Dr. Sampathkumaran, the University Council recommended in June 1928 that they may be placed in a grade Rs.400-30-700-50-1,000, this new grade being adopted for all appointments ~~of~~Professors. The matter was not favourably considered in view of the facts that the conversion of the appointments of Rs. 400-30-700 to Rs.400-30-700-50-1,000 would involve very heavy additional cost, and that Mr. Narayana Rao and Dr. Sampathkumaran had not yet reached the

maximum of their present grades. The Vice Chancellor has now recommended that they be placed in the grade Rs.500-50-1,000 and started on Rs.700 as they are doing scientific work of a very high order and have advanced the credit of the University in scientific circles. They have been in independent charge of their respective branches and have been Presidents of the Zoology and Botany Sections of the Indian Science Association.

The question was considered in Council on the 1st instant when it was resolved that the Vice Chancellor's recommendations in respect of Messrs. B.M. Srikantiah and C.R. Narayana Rao and Dr. Sampathkumaran may be accepted and that these officers should keep their respective places.

The Vice Chancellor has made recommendations in respect of certain other Professors also. Their cases will be considered after getting details regarding their work and the number of students in their classes.

The recommendation of the Council in respect of Messrs. B.M. Srikantiah and C.R. Narayana Rao and Dr. Sampathkumaran may be graciously sanctioned.

MEMBER OF COUNCIL.

Bangalore,
7th November 1929.

Submitted to His Highness.

I submit herewith a Final Note by the Third Member of Council on the subject of increasing the emoluments of certain Professors of the Mysore University,

for His Highness' gracious approval.

increase is about Rs 8,000/- The important factor for consideration in this case is not the ways and means to meet the immediate extra cost during the current year which is estimated at Rs 1,000/- only, but whether the University Fund has sufficient margin to finance this additional outlay in future years.

36) It is stated that the expenditure in the next and future years will be provided for by reappropriation of the savings accruing under certain non-recurring items mentioned in the enclosure to the Registrar's letter of the 18th November 1929. I am doubtful that this anticipation will materialise at all and even if it does, for a time, incurring of new expenditure of a permanent nature against possible savings under non-recurring items is not a sound proposition.

37) A close examination of the University finances will show that it can hardly be stated with confidence that the increased expenditure can be met by the University without asking of Government more money for supplementing its resources.

38) The total expenditure of the University during the year 1927-28 was Rs 10.89 lakhs which was financed as follows:-

Rs 7.84 lakhs	Government grant
Rs 1.30 lakhs	Collections from fees etc.
Rs 1.75 lakhs	Drawing from the balance at credit of the Fund.

The Fund balance at the end of the year was Rs 50,000/-

undertaking of measures connected with the transfer of the Medical College to Mysore, the expenditure in 1928-29 rose to Rs 13.68 lakhs, i.e., Rs 2¾ lakhs more than in the previous year. During the year the contribution from General Revenues was -- Rs 11.60 lakhs and the fee receipts etc., amounted to Rs 2.34 lakhs. The Fund had at its credit on 30th June 1929, Rs .76 lakhs.

40) According to the sanctioned Budget estimates of the current year, the financial position of the University is as follows:-

Opening Balance.	Rs 1.04 lakhs	(including an additional grant of Rs 42,000 to be give by Govt. for 28-29)
Government Grant. (normal)	"10.50 "	
Non-recurring grant for Medical College Buildings.	1.50 "	
Fee collections etc.	2.05 "	
T o t a l.	Rs 15.09 lakhs	

E X P E N D I T U R E.

Ordinary	Rs 13.49 lakhs	
Special & Non-recurring. (Transfer of Medical College to Mysore.)	Rs 1.50 lakhs	
	Rs 14.99 lakhs	
CLOSING BALANCE.	Rs .10 lakhs	(which is th irreducible minimum)

41) As the normal grant to the University has been fixed at 10½ lakhs, its annual revenues including the Government contribution will be in the neighbourhood of Rs 12½ lakhs and consequently in framing the next year's estimates, the University will possibly have to effect a cut of a lakh of rupees in the present level of its expenditure of

Rs 13½ lakhs. How the University will be able to affect a readjustment in its programme of expenditure so as to equate the two sides of its account is a serious problem.

42) Besides the three Professors whose case is now under discussion, there are four or five other Professors the improvement of whose prospects seems also to be under active consideration.

43) In view of the foregoing statement, what appears to me to be the desirable course is, not to permit the University to add to its recurring expenditure immediately in the manner proposed but to defer consideration of the revision schemes till at least next budget.

75) Prior to the appointment of Mr B. M. R. Narayana Rao and Dr. M. A. Sampathkumaran. Messrs Narayana Rao and Sampathkumaran have just reached the maximum pay of the grade & drawing Rs 700 from 1.7.30 and Mr. Srikantia would have been in the same position. As Registrar Mr Srikantia was given Rs. 640 on 1.7.26 and Rs 700 from 1.11.26 and he has been drawing this pay since that date. The extra cost on account of the 3 alternatives suggested in the third Member's minute will be as follows:—

(i) Rs 750 to all the three officers from 1.7.30

Rs 50 extra for 11 months to each officer

Rs: 1650 for the year 30-31

(ii) Rs 700 to all the 3 officers from 1.7.30.

76) As Messrs Narayana Rao & Sampathkumaran have ~~already~~ been drawing Rs 700 from 1.7.30, their next increment will become due on 1.7.31. There will be no extra cost on their account

Even now it is below — vide Civil list p. 63 - also fo. 87 of 19.7.26 (Ex 232-25) ks

It CS have ordinarily got only Rs 580 — i.e. today's pay + 2 increments of Rs. 30 each + two of 30 again in 4 months thereafter

at all in the current year. If Mr Srikantia is also to get his next increment on 1.2.31, in his case also there will be no extra Cost.

(iii) Rs 700, 700, 750 to Mr C.R.N. Rao, Dr Sampathkumara & Mr Srikantia, respectively (from 1.7.30)

In this case there will be extra Cost only in the case of Mr Srikantia to the extent of Rs 550 during 1930-31.

1) A provision of Rs 3360 has been made in the University budget of 1930-31 for meeting the extra cost on account of ~~big~~ increase of pay to officers and some savings may perhaps accrue on account of the loan of Mr Mc. Alpine and the employment of Mr. Wadia outside the University.

Testimonials:-

Archaeology, Prof. Gardner. (1921)

This is to certify that Mr. M.H. Krishna has worked for two years in the London University at Archaeology and Anthropology. He has been awarded the Degree of D. Litt., which is the highest distinction the University has to offer. In his special subject, S. Indian Numismatics, he has produced a most through and learned treatise. He has also had an opportunity for experience in practical Excavation in Egypt.

"I can recommend him most highly both for teaching and for practical research and excavation. I have the highest opinion of his character and diligence and feel sure he would carry out most thoroughly and consciously any work which he may undertake."

"He appears to me to have just the qualities that are needed for the most interesting developments now taking place in Indian Archaeology, and I hope very much that he may have an opportunity for applying his great talents and keen interest to the problems of Indian Research."

Anthropology: W.J. Perry. (1926)

"He is competent to teach University Students in Physical Anthropology, Cultural History, Ethnology, Social Anthropology. In my opinion the University of Mysore would be well advised to appoint him to a Chair in Anthropology. ... ...
The future of Anthropology in Southern Indi will be secure under his guidance."

Indian History.

1. Dr. R. Shama Shastri, Professor of Indian History, Mysore University and Director of Archaeological Researches in Mysore - (June, 1922):

"I am glad to testify to the proficiency which Mr. M.H. Krishna Iyengar, M.A., Lecturer in Indian History in the Maharaja's College, Mysore, possesses in Ancient and Mediaeval History of India and political science.

Young as he is, his lectures to the class have been more impressive than those of an experienced teacher. His catalogue of the Mysore Collections of Ancient Coins is a standing monument of his capacities for research work."

2. Dr. Radhakumud Mookerjee, Professor of Indian History, Mysore University, (July 1921):

"I need hardly add how this kind of highly technical and specialised work in the field of Indian History must necessarily give him a unique theoretical and practical training in that subject, a knowledge of its details and obscure and even forgotten chapters which cannot be recovered from the published literature on Indian History. I am sure he will be an acquisition as much for his technical ability in finding and handling original epigraphic and numismatic data as for his general ability in historical construction on the basis of those archaeological data."

UNIVERSITY OF MYSORE.

D.O.letter dated 3rd September 1929, from Dr.M.H.Krishna Iyengar, Mysore to the Registrar, Mysore University, Mysore.

With reference to the letter from the Registrar of the Madras University received by you yesterday, I write to state that on about the 26th of July, I submitted to the Mysore University for favour of being forwarded to Madras, my application for the post of Professor of Indian History and Archaeology at Madras. Simultaneously and as personally suggested by the Registrar of the Madras University, I sent him a copy of the application with a covering letter stating that it was only an advance copy sent for information, and that the original application had been submitted through the University of Mysore and might take some time in the course of transmission.

Subsequently to my interview with the Dewan Saheb on 3rd August 1929, I saw the Vice-Chancellor, Madras University, and informed him that my original application would not be forwarded to them and that my candidature might be considered withdrawn.

As I have very good reason to believe that I am the most favoured candidate for the Madras vacancy, I think the Madras University are enquiring to find out if permission cannot be given to let me be an applicant.

As for my own position in this connection, I submit that I place my case entirely in the hands of the University and the Government of Mysore and shall strictly abide by their decision.

CONFIDENTIAL

RAJATANTRAPRAVINA
DR. B. N. SEAL,
Vice-Chancellor,
THE UNIVERSITY OF MYSORE.

(Private touch to 3rd Member)

MYSORE, C/5
(SOUTH INDIA)

Dated the 16th October 1929.

My dear Mr. Mirza,

I have been wanting to communicate to you my recommendations with regard to the more important cases that are immediately before us and have to be settled without any further delay. I would have taken the usual course of forwarding these recommendations as early as possible, but since my health stands in the way and yet certain immediate steps are necessary in the best interests of the University I make the following recommendations.

[redacted]

(1)

I recommend very strongly that in view of Mr. B.M. Srikantia's exceptional qualifications and his ability for giving a proper turn to the study of Kannada and English Literatures in their mutual and comparative relations, he may be immediately given the grade of Rs.500-1000/- and started with an initial salary of Rs.750/-. It may be noted that Mr. Srikantia has been drawing Rs.700 for the last three years without any increment, and his work both as Professor and Registrar has been of the highest order. Therefore it is but fair and proper that he should be

given an immediate increment of Rs.50/-. I desire to add that Mr. Srikantia represents in a unique way the department of comparative literature which is of such vital importance in a modern Indian University and his large-hearted personality together with his balanced sense of values equips him all the more for being a most efficient interpreter of life and literature.

CA*51-28-Ao 243

I recommend also that Mr. C.R.Narayana Rao, Professor of Zoology, and Dr. M.A.Sampathkumaran, Professor of Botany, who are doing scientific work of a very high order and have advanced the credit of the University in scientific circles, be immediately given the grade of Rs.500-1000 and started from Rs.700/-.

Messrs. Srikantia, Narayana Rao and Sampathkumaran have long been doing work of exceptional merit in the University, and their claims are first and foremost. I feel that for the last two years I have endeavoured to see that justice is done to their claims and it is my earnest request that their claims which have long matured, should be now recognised.

I recommend that Dr. M.H.Krishna Iyengar be immediately given the grade of Rs.500-1000 and such other

allowances which he is drawing now for special work in Archaeology and which will cease when the present work is completed. Dr. Krishna Iyengar is a man of ability and resourcefulness who is destined to achieve success in whatever field of work he may turn to.

I recommend very strongly that Mr.K.B.Madhava be put on the grade of Rs.400-700. He has done work of real scientific value both in Economics and Statistics and has been one of the pioneers in his subject in India. The fact that he has been producing work of high quality for the last three or four years in a new field of scientific studies and of great interest and practical importance to modern India, makes his claims as strong as those of anybody else in the University.

I recommend that Mr. V.L.D'Souza be taken in the grade of Rs.400-700 as Professor of Economics. He is a rising young Indian Economist of promise and has grit, power of forceful expression and capacity for genuine spade work. As Professor of Economics, organising advanced and regional studies in his subject he fully deserves both recognition and encouragement.

Most of the promotions herein mentioned have been earned for sometime past and are necessary to the well-being

of the University. I sincerely hope that these recommendations will be given effect to as early as possible.

With kind regards

Yours sincerely,

B. N. Seal

Dear Mr. Srikantia,

I am desired to invite your reference to Sir Brajendranath Seal's D.O. letter dated 15th October 1929 to the address of the Dewan (copy enclosed for ready reference) proposing increase of emoluments in the case of certain Professors of the University. I am to request you to kindly let me know whether, in the event of the proposal being approved in whole or in part, the increased expenditure on this account can be met by the University without any addition to the present grant.

In respect of the marginally noted Professors, information may also be furnished regarding the nature and amount of work done by them and the number of students in their classes.

The following are immediate requirements:

Yours sincerely,

UNIVERSITY OF MYSORE

CB 2009

MYSORE.

Dated, 18th Nov. 1929

Dear Sir,

With reference to your D.O.No.1826/C.B. of the 9th instant, enquiring whether the increased expenditure on account of increase of emoluments in the case of certain Professors of the University can be met by the University without an increase of the Government grant, I beg to state, after consulting the Vice-Chancellor and with his approval, that this can be done in view of certain specific provisions made for specific purposes dropping out of future Budgets.

The extra average cost in respect of Messrs.B.M.Srikantia, C.R.Narayana Rao and M.A.Sampathkumaran will be Rs.8,000/- a year and in the case of the other four Professors Rs.11,526 2/3. Against this, there are certain items of non-recurring expenditure provided for in the current year's budget, which, according to Government orders, have to be dropped either wholly or in part next year, resulting in a saving of about Rs.10,000/- (vide statement A). There are also certain other non-recurring items of expenditure most of which may have to be left out in the next and future year's budgets, and a saving of about Rs.8,000/- may be expected under these heads. (vide statement B).

I am also enclosing herewith, as desired, a note giving

information regarding the nature and amount of work done, &c., by the following Professors :--

1. Dr. M.H.Krishna Iyengar
2. Mr. K.B.Madhava
3. Mr. V.L.D'Souza

SIR,

I am directed to state that the Principal, Maharaja's College and the Principal, Central College, having recommended the cases of certain Professors for promotion to the grade Rs.400-30-700, the cases, with the recommendations of the Promotion Committee in the matter, were considered by the University Council at ~~the~~ its meeting held on the 20th November 1929 and it was resolved that the following Professors who are now on a fixed pay of Rs.400 be strongly recommended to be placed in the grade Rs.400-30-700.-

1. Mr. V.L.D'Souza
2. Dr. M.H.Krishna Iyengar
3. Mr. K.B.Madhava
4. Mr. Aga Mahomed Abbas Shustery
5. Mr. D.Srinivasachar
6. Mr. A.Venkata Rao Telang

(Note: The arrangement of names does not indicate seniority or preference).

I am to enclose herewith for information, a copy of the Council resolution with copies of the marginally noted communications and to state as follows in regard to each case :--

1. Letter No.2314, dated the 15th March 1929 from the Principal,Maharaja's College.
2. Letter No.940, dated the 19th September '28 from the Principal,Maharaja's College. (with its enclosure)

4. (a) Memo No.953, dated the 4th September 1929, from the Principal,Maharaja's Coll.

   (b) Memo No.1410,dated the 30th October 1929 with its enclosure from the Principal Maharaja's College.

5. Letter No.1735,dated the 4th January 1929 from the Principal, Maharaja's College.

6. Letter No.927,dated the 17/18th December 1928 from the Principal, Central College.

1.Mr.V.L.D'Souza,B.A.,B.Com.(Lond

Mr. D'Souza is 33 years of age. He joined service on the 11th August 1924 as Assistant Professor in the grade Rs.200-20-300. He was appointed officiating Professor of Economics on the 2nd July 1928 on Rs.400/- per month against the vacancy on Rs.500-50-1000 created by the appointment of Mr. N.S.Subba Rao as Inspector General of Education.

Regarding Mr, D'Souza's qualifications and work, I am to invite kind reference to this office letter No.2428, dated the 26th July 1928 and also to the letter of the Principal,Maharaja's College. (No. 2314, dated the 15th March 1929).

2. Dr. M.H.Krishna Iyengar, M.A., D.Litt.(Lond).

Dr. M.H.Krishna Iyengar, M.A., D.Litt., is 37 years of age. He joined service on the 17th August 1916 as Lecturer of History, Collegiate High School, Mysore on Rs.75/ in the grade Rs.75-10-125.

Dr. Krishna Iyengar greatly distinguished himself by taking the degree of D.Litt. at the University of London, where he received special training in methods of archaeological research. On his return to Mysore he was appointed Professor (Supernumerary) on Rs.350 per mensem and was promoted to Rs.400/- on the 17th January 1929.

He was selected for the post of Director of Archaeological Researches on the retirement of Dr.Shamasastry. He has also been placed in charge of the Office of Numismatic Researches. He is now

now drawing consolidated pay of Rs.500/- per mensem. He has already been g twice recommended for the grade Rs.400-30-700.

3. Mr. K.B. Madhava

Mr. K.B.Madhava is 34 years of age. He joined the Central College as Lecturer on the 17th July 1918. Having reached the position of permanent Assistant Professor in grade Rs.200-20-300 he was transferred as Assistant Professor of Mathematical Economics in the Maharaja's College on Rs.300/- on the 18th July 1924. He was appointed temporary Professor on Rs.350 on the 4th January 1926 and confirmed on Rs.400/- (fixed) on the 4th January 1927.

Mr. Madhava is a M.A. (Madras): a Fellow of the Royal Astronomical Society: and an Associate of the Institute of Actuaries (Lond). He has created an excellent impression by his enthusiasm for his subject and his ability.

Reference is invited to the letter No.940, dated the 19th September 1928 from the Principal, Maharaja's College, recommending Mr. Madhava for promotion.

4. Mr. Aga Mahomed Abbas Shustery.

Mr. Shustery is 46 years of age. He joined service as Assistant Professor of Persian in the Maharaja's College, on the 11th September 1919, in the grade Rs.200-20-300. He has completed 10 years and 2 months of service. In May 1925 when he had reached the maximum of his grade Rs.300, he was given an absorbable personal allowance of Rs.100 per mensem as Assistant Professor, and later on was designated Professor of Persian on a consolidated pay of Rs.400 per mensem. He has been without any promotion for over 4 years.

Regarding his work, I am to invite kind reference to this

office letter No.3685, dated the 2nd September 1927 and to add that the Principal has stated that 'Mr.Shustery is lecturing in all three colleges - a very heavy task and unique among Professors' (vide copy of his Memo No.953 of the 4th September 1929). In addition to his Professorial work, he is engaged in writing a comprehensive history of Persian literature in 12 volumes and also in translating the Rig Veda into Persian, the first work of its kind in Persian Literature. He has now asked for permission to apply for the post of Professor of Persian in the Calcutta University, where he expects to get a starting pay of Rs.500 (vide copy of Principal's Memo No.1410 of the 30th October 1929 with its enclosure). The University cannot afford to lose or spare his services.

5. Mr. D.Srinivasachar, M.A.

Mr. D.Srinivasachar is 50 years of age. He joined service on the 16th January 1906. He was appointed Offg.Professor of Sanskrit on Rs.400 per mensem on the 6th July 1927: and on Mr. M.Hiriyanna's retirement, Mr.Srinivasachar was confirmed as Professor on Rs.400 (fixed) (6th January 1928), against the vacancy in the grade Rs.400-30-700 (the old grade personal to Mr. Hiriyanna, 400-50-700, converted.

Mr. Srinivasachar has been appointed ex-officio Curator, Oriental Library, (on an allowance of Rs.50 per mensem) since the retirement of Dr.Shamasastry.

Mr. Srinivasachar is a distinguished Sanskrit scholar whose original work in his subject has received the recognition of European scholars.

Reference is invited to letter No.1735, dated the 4th January 1929, from the Principal, Maharaja's College, recommending Mr.

Mr.Srinivasachar's promotion to the grade.

6. Mr. A. Venkata Rao Telang, M.A.(Madras).

Mr. A.Venkata Rao Telang is 41 years of age. He joined service on the 3rd September 1909. In 1922, having reached the position of permanent Assistant Professor of Physics on Rs.300/- per mensem in grade Rs.200-20-300 he was appointed to officiate in the vacancy caused by the absence of Mr.B.Venkata-naranappa. On the latter's retirement in 1923 Mr.Telang was allowed to continue to draw Rs.300 plus Rs.80/- acting allowance calculated on the minimum pay of the second grade of Professors in the University (vide G.O.No. E.5811-2/Edn.2-23-106 of the 10th May 1924).

Mr. Telang has been discharging the duties of a Professor since 1922, his emoluments remaining stationary until recently when he was appointed a permanent Professor of Physics on Rs.400 (fixed) from the 1st July 1928 (vide G.O. No.1158-9/Uni.326-27-2 dated the 31st July 1928). This gave him a small increase of pay of Rs.20/- per mensem after nearly 6 years of fixed salary at Rs.380/-.

Reference is invited to several letters (~~xxxxxxx xxxx~~ vide margin) from the Principal, Central College, recommending Mr. Telang for promotion. These recommendations date from January 1924.

Extract from letter No.630 of 4-1-1924 and Extract from D.O. No.910 of 21-3-24 and Letter No.927 of 18-12-1928

Mr. Telang has shown himself to be a steady and reliable teacher and very competent in his subject: he has been engaged for some time in original work in meteorologial Physics.

In view of the responsibilities that have devolved on all

all these Professors on account of the introduction of the new Hons. and M.A. and M.Sc. courses, the University Council are strongly of opinion that all the 6 Professors above recommended should be placed in the grade Rs.400-30-700.

I am to point out that two graded posts of (Rs.500-50-1000) and (400-30-700) respectively are at present vacant, through the transfer of Mr. N.S.Subba Rao and the retirement of Mr.Hiriyanna. Thus the present recommendation will involve the creation of only four more posts in the 400-30-700 grade.

The extra cost on account of the above promotions will be met during the current year by suitable reappropriation of savings in the University budget, requisite provision being included in the budget from next year.

I am to request that you will be so good as to obtain kind sanction of Government to the recommendation contained in the Council resolution.

I have the honour to be,
Sir,
Your most obedient servant,

B. Venkata Sankara

=====

I have the honour to recommend that Professor D'Souza may be confirmed as Professor in the grade 400-30-700, from 2nd July 1929, on which day he completes a year's service as Professor. I recommend also that he may be given one increment from that date. Mr.D'Souza has been in full charge of Economics almost continuously since July 1926, and it is scarcely necessary for me to emphasise, either the efficiency of his work or his usefulness to the State in various Economic enquiries.

Letter No.927, dated nil, from Mr.K.B.Madhava,M.A., Professor,Maharaja's College,Mysore, to the Principal,Maharaja's College, Mysore.

I have the honour to request that my application for a graded salary be pressed with your valuable recommendation,and to submit that in that connection the following circumstances may be specially considered.

(1) That my doing the duties of a Professor dates as far back as July 1924 (i.e., to over four years ago) when I was transferred to this College, as recorded in G.O.No.1738-9 dated the 9th October 1924;

(2) That Government were further pleased to direct(among others) my appointment as temporary Professor in G.O.No.2022-3 of ~~x~~ 9th January 1926, i.e., nearly three years ago;

(3) That the four years from July 1925 have been very exacting in regard to the building up of my department,and in regard to the accomplishing of very brilliant records in both the B.A.and the M.A.classes in either of which there are affiliated other branches of learning than Mathematics, and that this extensive ground had to be(and is still being)covered against continued shortage in assistance every year and for long periods in each year;

(4) That persons who were appointed then,as well as subsequent to that date, have been sanctioned grades,and with substantial increments in the same,and the withholding of my case alone inflicts upon me the pain of supersession,and the penalty ~~x~~ of monetary loss immediately as well as throughout the rest of my service;

(5) That even when persons were appointed on probation they were confirmed with the benefit in the grade for their prior service and in my case I have been doing the duties of a Professor from July 1924.

I was confirmed from January 4th,1927(i.e., 1 year 8 months ago). and then I requested,as recommended in the Principal's letter No.1301 dated 10th November 1926, the grade with an initial salary of Rs 490,and I now beg to request that you will submit this application and strengthen my case to the extent that the passage of the time above referred to makes it necessary.

Letter No.940,dated 19th September 1928,from the Principal,Maharaja's College,Mysore, to the Registrar,Mysore University,Mysore.

I have the honour to forward herewith an application from Mr.Madhava,and to renew the recommendation made in my No.1301,dated the 10th November,1926,that he may be placed in the grade 400-30-700,with such increments as are possible. The grade is deserved in view of the scope and distinction both of his attainments and of his work in the College and for the University.

UNIVERSITY OF MYSORE.

Representation dated 26th August 1929, from Prof.M.A.Shustery.

In continuation of my last letter which I had written some time before I left for Persia, requesting you to kindly recommend my case to the University authorities, I wish to add the following:-

(1) Besides B.A.Pass, now I have to teach B.A.Hons, and M.A.classes in several languages together with some of their correlated subjects, such as, Islamic Philosophy etc.

(2) Unlike other Professors, I have to bear the major, if not the whole burden of class work. I need not say that I am now taking all periods of M.A. class.

(3) In the midst of such heavy class work and continuous ill-health, I am engaged in writing a comprehensive history of Persian Literature in 12 volumes. Also I am translating Rigveda into Persian, which will be the first work of its kind in Persian Literature and if health permits, I intend to translate 'Tarka-Sangrah' by Annumabhatta into Persian. I have already gone through the latter one, in its original, with the kind help of Dr.Shama Sastri.

(4) I do not think that my work and responsibilities are in any way less important or inferior to the Professors in charge of other departments. I notice that I have been already superceded by some my juniors, and under such circumstances I think, I am justified in reminding you my last request that I may be placed in the grade of Rs 400-700.

I should like to bring to your kind notice that I am already past 46 years and cannot expect either the maximum salary or a full pension.

Memo No.953/X 4th September 29.

Forwarded with compliments to the Registrar, for favourable consideration. I strongly recommend that this grade may be given to Mr.Shustery. I may add that Mr.Shustery is lecturing in all three Colleges - a very heavy task and unique among Professors.

I have now read your Iran-Nama with great interest. It is a work which will, I am sure be deservedly popular in Persia.

It might interest you to know that a Chair of Persian and Arabic is at present vacant in Calcutta University. The starting pay will be from Rs 500 in the case of incumbents with high qualifications such as you possess. In case you like to apply the application might be sent to me as the Chairman of the Board of Studies in Persian and Arabic. I need hardly say that the application, if made, should be with the full knowledge of your official superiors. The Mysore University has treated me so well that I feel almost ungrateful in trying to take away one of its most promissing teachers. But your knowledge and command of of Modern Persian literature and language will make your services invaluable any where

My address will be "Presidency College, Calcutta" after the 8th November.

I have the honour to recommend that Mr.D.Srinivasachar,who in Government Order No.5843-4/C.B.191-27-2, was confirmed as Professor of Sanskrit on a fixed salary of Rs 400 against the grade 400-30-700, with effect from January 6th,1928, may be placed in the grade with effect from January 6th,1929. I think this is necessary, not merely on account of Mr.Srinivasachar's long service, his conspicuous attainments and his industry and success in research,but also because of the standing and importance of Sanskrit studies in the University.

In consequente of the retirement of Mr.B.Venkatanaranappa it is necessary to place certain members of the staff of the Physics department, who have been acting during Mr.Venkatanaranappa's leave, on a permanent footing. I have the honour to recommend

(1) that Mr.A.Venkatarao Telang be confirmed as Junior Professor in the vacancy caused by Mr.Venkatanaranappa's retirement.

I have the honour to request that a recommendation may kindly be made to Government that Prof.A.V.Telang be appointed in the grade Rs.400-30-700 immediately,instead of being kept on fixed pay for a period(as has been the practice in the case of other newly appointed Professors)on the ground that

(1) Prof.Telang has already served for nearly 20 years.

(2) The promotion he would normally have gained(having been recommended for it)has been blocked for five years by the abolishment of the graded post held by Prof.Venkatanaranappa.

(3) Proposals for his promotion have been under consideration for at least three years.

Prof.Telang has shown himself to be a thoroughly competent and reliable member of the teaching staff. His work has been in every way highly satisfactory.

UNIVERSITY OF MYSORE

MYSORE.
Dated, 28th. July. 1930

Dear Mr. Matthan.

Referring to our conversation of Saturday.

In the matter of the University's proposal to promote Mr. B. M. Srikantia to the senior professorial grade on a salary of Rs. 750/ per mensem, I wish to place before Government my opinion that this promotion should not adversely affect the interests of Messrs. C. R. Narayan Rao and M. A. Sampathkumaran. These professors have been recommended for promotion to the senior professorial grade and this recommendation is before Government. Should Mr. Srikantia be placed on Rs. 750/ in the grade before the other two professors, he will certainly supersede both of them. This would constitute for them a very real grievance, since they have waited long for promotion and have seen Mr. Srikantia advancing rapidly by receiving special increments in their grade. In order to safeguard the interests of Messrs. Narayan Rao and Sampathkumaran orders promoting them as from 1st. July, 1930, should issue simultaneously with the order promoting Mr. Srikantia : and they, too, should be given Rs. 750/ per mensem as from 1st. July. This is not an unreasonable suggestion in view of the fact that the increment would go part of the way to compensate them for the loss of the allowance each has hitherto been drawing, for several years, as a teacher in the Medical College.

I don't agree. There can be no question of compensation for loss I am advocating here.

Yours sincerely,

E. B. Mercaldo.
